Please ID the pictured subject- the photo on the left is the suspect using credit cards stolen in a residential burglary, and the subject on the right is possibly the person who stole the garage door remote used to gain entry. It is unknown if they are the same person, however the subject on the left was wearing the same distinctive Nike shoes. Auto burglary occurred at Fillmore and Wilmot, residential burglary occurred at 17th and Guerrero, and the credit card transaction occurred at Target at 4th and Mission.
